

## LENGUA INGLESA II.B

### PART IV: WRITING

TIME: 1 HOUR

SCORE: 30%

Choose only **one** composition topic and write about 300 words.

Topics:

1. "There is an unemployment problem for graduates in Spain, but the biggest problem is that students are not imaginative enough in their job search and fail to look outside the traditional job areas (e.g. teaching)." Discuss this statement. Use specific reasons and examples to support your arguments.
2. Risk-taking is a deeply rooted human instinct that cannot be avoided. Discuss this statement. Use specific reasons and examples to support your arguments.
3. Does advertising encourage us to buy things we do not really need or does it rather inform us on the new products and services that may improve our lives? Discuss this statement. Use specific reasons and examples to support your arguments.
4. "Vivisection on animals is absolutely necessary in order to develop new surgical techniques." Discuss this statement. Use specific reasons and examples to support your arguments.
5. "Television has destroyed communication among friends and family." Discuss this statement. Use specific reasons and examples to support your arguments.
