COMPOSITION

Answer ONE of the following questions in 250-300 words. Remember that the following factors will be evaluated in your writing: fluency in expression, grammatical accuracy, interesting content, clear organization of ideas, appropriate vocabulary and formal conventions (spelling, punctuation, etc.).

WRITE YOUR FINAL VERSION ON THIS PAPER STARTING BELOW AND CIRCLE THE QUESTION NUMBER YOU ARE ANSWERING.

1. "To find a good job and to make a lot of money is all a person needs to be happy in life". Discuss.
2. "All jobs involve risks and rewards of some sort or another." Comment on this opinion using examples from at least three different jobs.
3. "If all human beings became vegetarian, the problem of animal hunting and killing would disappear completely." Do you agree?
4. "As unemployment figures are so high, people should either retire or be made redundant at the age of 55." Discuss the advantages and disadvantages of this measure, taking into account both personal and social factors.
5. "Children should learn the value and power of money as soon as possible in life if they are going to survive in our materialistic world and it is their parents' job to teach them." Do you agree?
