

## Vocabulary practice 1 (post reading, Text 1)

**Exercise 1.** The words in bold capitals in the table below belong to Reading 1. Please, google each of them and select five results that contribute to establish the meaning of each word. Below each word you will see a series of text fragments that contain it and the lines where each fragment is to be found on the text. These are here to help you too decide what the meaning of the word is but also to help you notice the contexts in which each word is used.
